## Train Love Communicate for Life

Talli strongly believes that parents **MUST** be the primary source of effective relationship education for their children. Therefore, Talli presents ideas for implementing healthy relationship concepts into the daily routine of life.

TLC4Life is a workshop for parents of all ages and stages. The goal is to empower parents to feel better equipped to communicate with their kids and encourage healthy relationships for life. Topics covered in the workshop:

- Details of how different the world is now from when we were teenagers.
- A medically accurate overview of the consequences of teen sex including: emotional, physical, social, mental, financial etc.
- Examples of "the world's" message for sex: friends with benefits. Talli gives hands on techniques for countering such messages.
- Tips for communicating with their kids more effectively.
- Parents learn the importance of being consistent with discipline and the benefits of house guidelines plus some strategies for implementation.
- Parents hear about the benefits of communicating well with the parents of their teenager's friends.
- Parents receive practical tools to help them positively influence their teens.

Fees are based the workshop setting. Details can be discussed at the time of scheduling.
